Step-by-Step User Guide

Step 1: Open the CRM Portal :

Go to any browser (for example, Chrome) and search app.efb.ae. You will be redirected to the **CRM login page**.

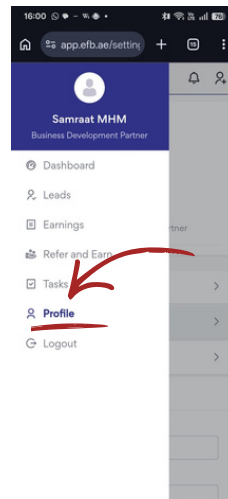

Step 2: Login to Your Account :

Enter the **login credentials** that were provided to you during registration. After entering your Email Address and Password, click Continue to log in.

Step 3: Open the Menu Bar :

On the top left side, click the **Menu Icon '≡'**.

Step 4: Click Profile :

A sidebar menu will appear containing several options such as:

- Dashboard
- Leads
- Earnings
- Refer and Earn
- Tasks
- Profile

From this menu, click **Profile**.

Step-by-Step User Guide

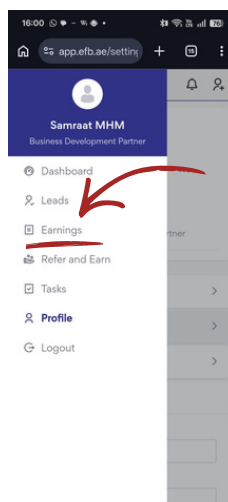

Step 5: Check Your Bank Details :

After opening **Profile**, click "**Bank Details.**"

Before withdrawing your earnings, make sure your **Bank Details** are filled correctly, including:

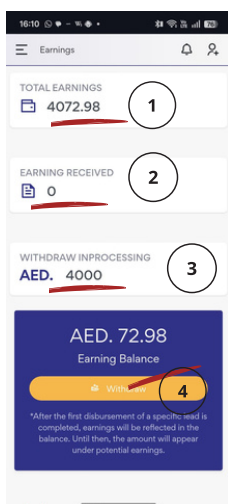

- **Account Holder Name**
- **Account Number**
- **IBAN Number**

If these details were not added during registration, fill them now.

Step 6: Open the Earnings Section :

Click the **Menu Bar** again and select **Earnings**. You will be redirected to the **Earnings** Page.

Step 7: Track Your Earnings

On the Earnings Page, you can track:

1. **Total Earnings** – Total commission generated
2. **Earning Received** – Amount already paid
3. **Withdraw In Processing** – Withdrawal requests being processed
4. **Earning Balance** – Amount available for withdrawal

That's how you track your total earnings. To withdraw it, follow the steps below:
