Step-by-Step User Guide

Submitting a referral in the CRM is a simple process. Follow the steps below to successfully submit a referral :

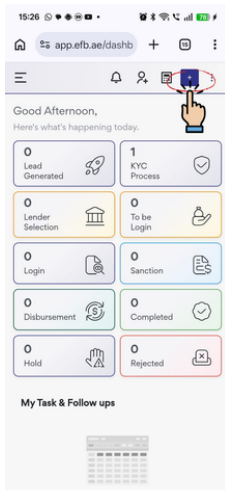

Step 1: Open the CRM Portal :

Go to any browser (for example, Chrome) and search app.efb.ae. You will be redirected to the **CRM login page**.

Step 2: Login to Your Account :

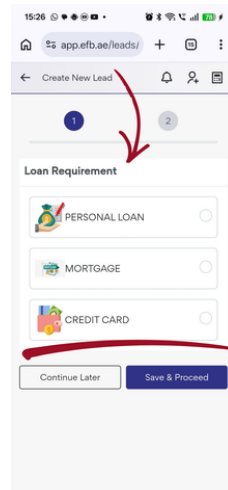

Enter the **login credentials** that were provided to you during registration. After entering your Email Address and Password, click Continue to log in.

Step 3: Open the Referral Submission:

After login, you will be redirected to your Dashboard. At the top right corner, click the “+” icon.

This will start the Referral Submission Process.

Step 4: Select Product Type :

Now you need to choose the product type for the referral. For example, select Personal Loan (or any product) and click **Save & Proceed**.

Step 5: Fill Lead Generation Form :

You will now be redirected to the **Lead Generated Stage Form**. Fill only the fields marked with a star (*), as they are mandatory.

A **confirmation pop-up** will appear asking you to verify the entered information. If everything is correct, click **Proceed**.

Important: Only fill the required fields—our team will contact your referral and complete the remaining details after verification.

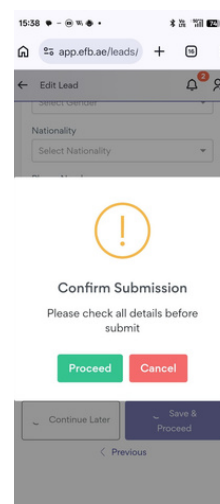

Step 6: Fill Applicant Details (KYC Process) :

Next, you will be redirected to the Applicant Details Form in the **KYC Process Stage**. Here, you only need to fill:

- **Email Address** (Mandatory)

All other fields are optional.

Again, a **confirmation pop-up** will appear. If the details are correct, click **Proceed**.

Step 7: Lender Selection (Process Completed) :

You will now be redirected to the **Lender Selection Stage**.

At this point, **your part is complete**.

Congratulations!
You have
successfully
submitted a
referral in our
CRM.

From here, our team will contact the referral, verify the details, and continue the application process.
